The U.S. All Star Federation (USASF) has a mission to support and enrich the lives of our All Star athletes and members. We strive to provide consistent rules and safety guidelines, drive competitive excellence and promote a positive image for the sport. The USASF credentials coaches, certifies legality officials and sanctions events - all with the goal to provide the safest possible environment in which athletes may train and compete. Founded in 2003, we are a not-for-profit corporation established in Tennessee and governed by bylaws, officers, a board of directors and fifteen standing committees.
